PMP Exam Prep 2021 & 2022 Aug 08 2020 "Mometrix Test Preparation's PMP Exam Prep 2021 and 2022 - Project Management Professional Certification Secrets Study Guide is the ideal prep solution for anyone who wants to pass their Project Management Professional Exam. The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes: Practice test questions with detailed answer explanations ; Tips and strategies to help you get your best test performance ; A complete review of all PMBoK sections. PMP is a certification mark of the Project Management Institute, which was not involved in the production of, and does not endorse, this product. The Mometrix guide is filled with the critical information you will need in order to do well on your PMP exam: the concepts, procedures, principles, and vocabulary that the Project Management Institute (PMI) expects you to have mastered before sitting for your exam. PMBoK sections include: Foundational Elements ; Project Operating Environment ; Role of the Project Manager ; Project Integration Management ; Project Scope Management ; Project Schedule Management ; Project Cost Management ; Project Quality Management ; Project Resource Management ; Project Communications Management ; Project Risk Management ; Project Procurement Management ; Project Stakeholder Management ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix PMP study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of PMP practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our PMP Exam Prep 2021 and 2022 - Project Management Professional Certification Secrets Study Guide is no exception. It's an excellent investment in your future. Get the PMP review you need to be successful on your exam." --
