Prepper's Guide Jan 15 2021 Getting Your FREE Bonus Download this book, read it to the end and see "BONUS: Your FREE Gift" chapter after the conclusion. **Prepper's Guide: List Of Items You Can Barter after the Collapse With Useful Tips** Welcome to **Prepper's Stockpile Guide: Items You Can Barter After the Collapse When Cash Is Worthless**, a book designed to help you gather the most profitable and sustainable items in the event that cash loses its value. For over a few decades, many have speculated that the dollar will eventually collapse in their time. In the past few years, this number of individuals has gone up due to the poor choices the authorities of the world has changed. This is why knowing what materials you can barter will be vital if the dollar truly does collapse. First, we'll go over something many survivalist novels skip; what you don't need after the dollar fails. Knowing what you don't need and why you won't need something after the dollar fails will prevent you from invest in otherwise sound investments, like: Rifles and Shotguns Specific Precious Metals Paper Money Then we'll also cover a huge topic that nearly all survivalists ignore and some assume that the average person already knows. The greatest bartering material that you will have is knowledge because without knowledge you can't generate electricity, heal the sick, make weapons, and even have ways where you are living on a schedule rather than day to day. This book will tell you which books you can start with and where you will likely find them along with the level of danger you will be in in that type of area. The remainder of the book will cover: How to barter and take care of animals for the long run. Which fuels will be the most profitable and why you should sell your fuel unless you plan to build your own power plant. What seeds you can use to start making your own farm and not only keeping your family alive with the food you grow but also using some of the food as a bartering material. This book will not be a list of items, but, rather, an informational guide about long lasting solutions that will both keep you alive and ensure you always have something valuable to trade.
